# SAG HARBOR

HAND CRAFTED

## RUM

“ An amber rum that’s  
great straight up or with  
a cocktail! ”

-Gabor, *Rummy & Sailor*

“ Flavorful rum that  
adds a rich character to  
any modern drink. ”

-Oliver, *Dan’s Paper*

**H**andcrafted on the east end of Long Island, Sag Harbor Rum’s distinctive taste is the result of being aged in old bourbon barrels and lightly infused with a blend of spices, fruits and other natural flavors. This unique combination is inspired by the practice of old whaling ships storing their rum in provisioning barrels previously used for vanilla, ginger, and exotic spices and fruits.
